**Low foam carpet cleaning concentrate for hot water carpet  
soil extraction machines.**

**Turquoise liquid with lavender fragrance.**

## USES

Contract Carpet Extraction Cleaner is a powerful and safe low foam detergent concentrate for use in carpet soil extraction machines. Contract Carpet Extraction Cleaner is suitable for use on most carpets, subject to pretesting as directed.

## DIRECTIONS

### APPLICATION:

Vacuum carpet thoroughly, then pre-test carpet in an inconspicuous area for colour fastness with diluted solution and allow test area to dry before proceeding. If colours bleed or change do not proceed with application. Dilute 20ml of S774 per litre of hot water (1 to 50) in the machine solution tank. For heavily soiled areas and spots, apply S708 Contract Carpet Prespotter according to label directions.
