

# Prochem Clensan Sanitiser

**Detergent sanitiser & deodoriser for carpets, upholstery, floors and hard surfaces.**

**Effective against bacteria and viruses.**

**Approved to EN1276.**

**Product code  
2532**

## USES

A concentrated bactericidal detergent sanitiser and deodoriser for use on carpets, upholstery, floors and hard surfaces. Clensan's biocidal formula is approved to EN1276 and is effective against a wide range of harmful organisms including bacteria and viruses.

## DIRECTIONS

**APPLICATION:** Dilution rate (all surfaces): Mix 50ml of Clensan per litre of water (1 part Clensan to 20 parts water).

**Carpets & Upholstery:** Apply Clensan solution by spray applicator to carpet or fabric surface and allow 5 to 15 minutes contact time for effective sanitising. Extraction clean carpet with S777 Crystal Green or extraction rinse carpet or fabric with B109 Fibre & Fabric Rinse.

**Floors and Hard Surfaces:** Apply Clensan solution by spray applicator and allow 5 to 15 minutes contact time for effective sanitising. Wipe hard surfaces or rinse floors with water then mop or extract with wet pick-up vacuum. When using scrubber driers always check recovery tank for excessive foam and use defoamer if required.

**pH11.5 in use**
