## Heavy Duty Cleaner

### USES

A citrus-based cleaner and degreaser, Heavy Duty Cleaner has been formulated for maximum cleaning power. A blend of naturally derived citrus solvents. Heavy Duty Cleaner is fast-acting to remove even the most stubborn soiling with ease. Ideal to remove dirt, grime, diesel oil, food oil, fats, grease, tobacco film, body fat, mineral oils, rubber, traffic film, and engineering oil from anti-slip floors, stainless steel, machinery, equipment, vehicles, work surfaces, vinyl, painted floors, ceramic tiles, plastic surfaces and concrete. Suitable for use in schools, colleges, hotels, offices, airports, factories, shops, shopping centres, ferries, bars, nightclubs and pubs.

### DIRECTIONS

#### Directions and Dilutions

Pre-dilute with hot or cold water, according to the level of cleaning action required Recommended dilutions are:

1-200 for light cleaning.

1-50 to 1-100 for general cleaning.

Agitate the surface and rinse away thoroughly with water.

pH in use
