

Toilet & Urinal Cleaner

BT5

Available in: 10 x 1ltr
Order Code: 8160/27

BT5 is supplied in 1L angled neck bottles for easy use.

PRODUCT DESCRIPTION

- A viscous, biotechnology based formulation with a long lasting fragrance
- Removes staining, breaks down odours and controls scale
- Continues to work long after the product is applied, leaving a residual biofilm in hard to reach areas
- Maintains clean pipes and drains

DIRECTIONS FOR USE

Toilet Bowls: Flush the toilet.

Apply neat product freely round the bowl particularly under the rim. Leave overnight to freshen the bowl for maximum effect.

Urinals: Make sure that the automatic or manual system flushes the urinal. Apply neat product freely over the entire area and leave overnight to freshen the surface.

The Maximum Eco Biotech Range provides the highest level of cleaning performance with a minimal impact on the environment.

Provides optimum performance

Reduced carbon footprint in production and in transit

Multi-sector usage

Low cost in use

- *Naturally derived ingredients*
- *Residual Protection from the biofilm*
 - *Long lasting fragrance*
 - *No hazard rating*
