PINE GEL CONCENTRATE FLOOR CLEANER

-  Fresh Fragrance
-  Wide-Range Usage
-  Powerful Cleaner

Description:

Pine Jell is a versatile, high-performance floor cleaner developed for regular use on a wide range of hard floor surfaces. Formulated with natural pine oils, it delivers effective cleaning power while leaving behind a long-lasting, refreshing pine fragrance that helps create a pleasant environment after use. Suitable for linoleum, thermoplastic floors, sealed cork, terrazzo, sealed wood, vinyl and concrete, it is ideal for routine maintenance in busy areas such as schools, hotels, offices, shops, airports, bars and other public or commercial spaces. Its concentrated formula is designed to remove dirt, grime and everyday soiling while helping preserve the condition of treated surfaces. Diluted with water for general mopping or scrubbing, it provides a cost-effective solution for maintaining clean, fresh and hygienic floors in high-traffic environments.

Useful Information:

Product Code:	250501
Product Colour:	Dark Green
Product Fragrance:	Pine
pH Level:	7 – 9

Directions:

Pine Jell should be diluted with water in a ratio of 1:100 before use and applied as part of a regular mopping or scrubbing routine to remove dirt, grime and everyday soiling from hard floor surfaces. It is suitable for use on linoleum, thermoplastic floors, sealed cork, terrazzo, sealed wood, vinyl and concrete, making it ideal for maintaining cleanliness and freshness in high-traffic environments such as schools, hotels, offices, shops, factories and public venues.

The concentrated gel formula provides effective routine cleaning while helping to preserve the appearance of treated surfaces and leaving behind a long-lasting pine fragrance.

When handling and using the product, suitable protective gloves and eye protection should be worn. After use, store in a cool, well-ventilated area.
