MULTI-CLEAN GENERAL USE MULTI-SURFACE CLEANER

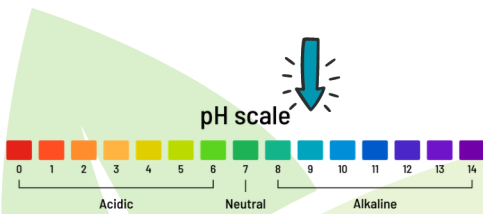

- Ready to Use
- No Residue Finish
- "Cleans All" Hard Surface Cleaner

Description:

Multi Clean General Purpose Cleaner 750ml is a ready-to-use multi-surface cleaner developed for the daily cleaning of all water-washable hard surfaces. Designed to clean, freshen and enhance without leaving residue, it is ideal for routine wipe-downs in busy environments where speed, convenience and presentation matter.

Suitable for glass, laminate and stainless steel, it can also be used on marble, terrazzo, anti-slip and textured floors, ceramic tiles, aluminium and surfaces protected with metallised polish. Its simple spray, agitate and wipe or rinse application makes it practical for regular use across schools, hotels, offices, airports, retail spaces and hospitality venues.

Useful Information:

Product Code:	250506
Product Colour:	Sky Blue
Product Fragrance:	Pleasant Floral
pH Level:	9

Directions:

Multi Clean General Purpose Cleaner should be used undiluted for the daily cleaning of water-washable hard surfaces. Spray directly onto the surface to be cleaned, agitate with a suitable cloth or sponge to loosen dirt and marks, then wipe or rinse away to leave a clean, fresh, residue-free finish.

Suitable for use on glass, laminate, stainless steel, marble, terrazzo, anti-slip and textured floors, ceramic tiles, aluminium and surfaces protected with metallised polish, it is ideal for routine cleaning in busy commercial and public environments.
