ELITE STAIN AWAY EFFECTIVE SPOTTING STAIN REMOVER

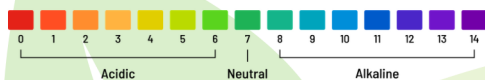

- Super-Effective
- Non-foaming
- Wide Versatility

Description:

ProJanta ELITE Carpet Stain Away 750ml is an effective spot and stain remover developed for carpets and upholstery that are not affected by water.

Formulated to dissolve grease and oil quickly, it helps tackle stubborn marks efficiently while supporting a clean, well-presented finish. As it dries, the product crystallises any remaining greasy residue so it can be easily brushed or vacuumed away, making it a practical solution for targeted stain removal in busy environments. Its long-lasting floral fragrance also helps leave treated areas smelling fresh after use. Ideal for hotels, offices, shops, airports, public buildings, leisure centres and nursing homes, it is well suited to routine maintenance and quick-response cleaning.

Useful Information:

Product Code:	2569
Product Colour:	Clear
Product Fragrance:	Sweet
pH Level:	6 - 7

Directions:

Carpet Stain Away should be used directly on stained areas of carpets and upholstery that are not affected by water. Before application, remove any excess soil by gently scraping the area or absorbing it with a clean cloth or paper. Spray the product onto the stain, then blot with a clean white absorbent cloth, paper or sponge to help lift and dissolve grease and oil residues. Allow the treated area to dry fully, then vacuum or brush away the crystallised residue to leave the surface clean and refreshed. Suitable for spot cleaning in environments such as hotels, offices, shops, airports, public buildings, leisure centres and care settings where quick and effective stain removal is required.

When handling and using the product, suitable protective gloves and eye protection should be worn. After use, keep the container tightly closed and store in a cool, well-ventilated area.
