ECO LOGIK HAND LOTION SOAP

-  Cleans and Mosturising
-  Easy Lathering
-  Floral Scent

Description:

ECOLOGIK Lotion Soap 5L is a luxury, pearlised hand soap formulated to cleanse and condition the skin while providing a comfortable handwashing experience. Made with superior-quality cosmetic-grade ingredients, it produces a rich, mild foam that helps leave hands feeling clean, fresh and well cared for after use. Its subtle rose fragrance adds a pleasant finishing touch, making it particularly suitable for regular use in washrooms, bathrooms and shower areas.

Designed for all skin types, it is ideal for environments where frequent handwashing is expected, including offices, health clubs, hotels, nursing homes and residential care settings.

Directions:

Lotion Soap should be used as part of a regular handwashing routine to cleanse and condition the skin. Apply an appropriate amount to wet hands, work into a rich, mild lather, then rinse thoroughly with clean water. The cosmetic-grade formula is suitable for frequent use and all skin types, making it ideal for washrooms, bathrooms and shower areas in offices, hotels, health clubs, nursing homes and residential settings.

When handling and refilling dispensers, suitable protective gloves and eye protection should be worn. After use, keep the container tightly closed and store in a cool, well-ventilated area.
