ECO LOGIK MULTI-SURFACE CLEANER

-  Satin Finish
-  Multi-Surface Cleaner
-  Freshens and Cleans

Description:

ECOLOGIK Multi-Surface Cleaner is a viscous cleaner developed to clean, freshen and enhance a wide range of hard surfaces while leaving a distinctive satin finish. Designed to improve overall appearance as well as cleanliness, it is ideal for routine maintenance in environments where presentation matters. Suitable for trigger spray application or use with recognised mopping systems, it offers flexible cleaning across many surface types. It can be used on marble, terrazzo, anti-slip and textured floors, laminated floors, metallised polish, ceramic tiles, aluminium, stainless steel and laminated furniture, making it a practical all-round choice for general hard surface care.

Useful Information:

Product Code:	CG08 / CG09
Product Colour:	Blue
Product Fragrance:	Fresh
pH Level:	11
Also available in:	750ml, 5L

Directions:

Multi-Surface Cleaner should be used as part of a regular cleaning routine to clean, freshen and enhance the appearance of hard surfaces, leaving a distinctive satin finish. Apply the product using a trigger spray or through a recognised mopping system, ensuring even coverage across the surface to be cleaned. Suitable for use on a wide range of surfaces including marble, terrazzo, anti-slip and textured floors, laminated floors, metallised polish, ceramic tiles, aluminium, stainless steel and laminated furniture, it is ideal for daily maintenance in commercial and public environments.

When handling and using the product, suitable protective gloves and eye protection should be worn. After use, keep the container tightly closed and store in a cool, well-ventilated area.
