

Sprint Genius® SV1

Cordless Stick Vacuum Cleaner

Sprint Genius® SV1

Ultra-Lightweight, Portable Stick Vacuum

Elevate your cleaning experience with the ultra-lightweight SV1, engineered for effortless versatility. Featuring a high-efficiency brushless motor, HEPA filtration, and a powerful 3-mode suction system, the SV1 tackles every surface with unmatched precision. With up to 85 minutes of runtime, intuitive LED touch controls, and a full suite of smart attachments—smart design meets deep clean.

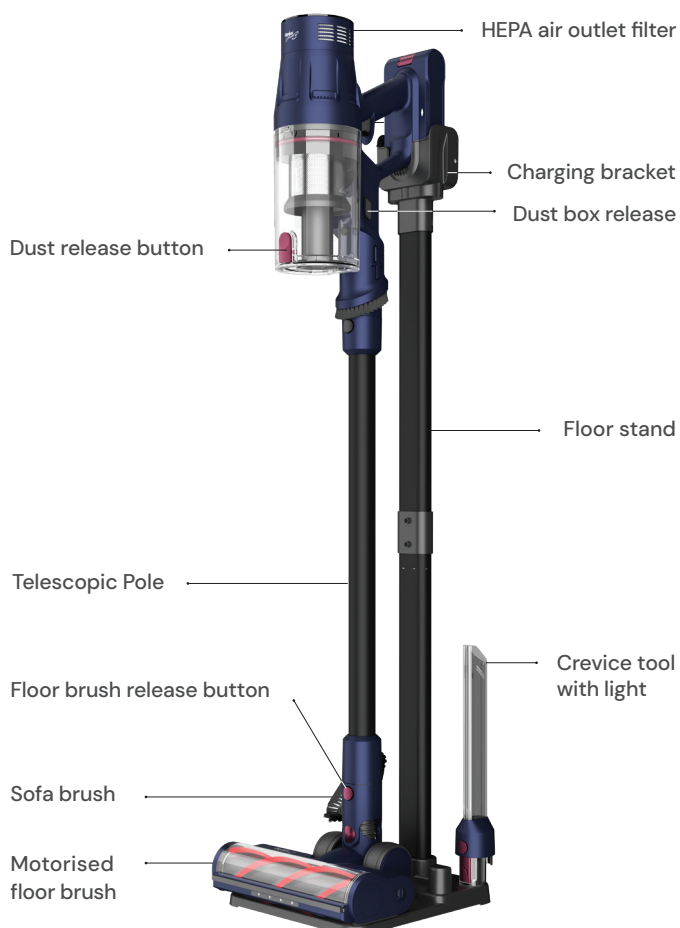

Features & Benefits

3 Suction Modes:

- High – 25 Min Runtime
- Medium – 36 Min Runtime
- Low – 85 Min Runtime

Multiple Attachments:

- 2-in-1 Brush
- Crevice Nozzle with Light
- Upholstery Tool

Specifications

Motor Power	515 W Brushless DC motor
Battery Type	25.2 V Li-ion 4000 mAh
Battery Voltage	25.2 V
Detachable Battery	Yes
Charger	Yes, with 1.5 m cable
Input	100-240 V, 50/60 Hz, 0.8 A MAX
Output	30 V 800 mA
Charging Time	5 - 5.5 Hours
Suction Speeds	High: 32 Kpa (25 min), Mid: 19 Kpa (36 min) , Low: 9 Kpa (85 min)
Tube Material	Aluminium
Filtration	HEPA H13
Dust Capacity	0.6 L
Main Brush	Motorised brush with LED lights
Suction Accessories	2-in-1 integrated brush, crevice tool with light, upholstery tool
Storage	Floor stand with integrated charging
Noise Level	≤82dB
Indicator Light	Yes
Dust Sensor	Yes
Technology	Cyclonic bagless
Design	2-in-1 upright and hand-held
Surface Compatibility	Multi-surface
Control Display	Touch control LED display
Weight	3.3 kg
