FREEDOM 4 IN 1 BATHROOM CLEANER

- Streak Free
- 4 Way Action
- Powerful Formula

Description:

ProJanta Freedom Bathroom Cleaner is a total washroom cleaner designed to clean, brighten, descale and disinfect a wide range of bathroom surfaces. Ideal for toilets, urinals, sinks, showers, tiles and other bathroom fittings, it helps remove everyday soiling and scale while leaving surfaces looking fresh, clean and well maintained. Its versatile formula supports a sparkling, streak-free finish when applied, agitated and then wiped or rinsed away, making it suitable for routine washroom cleaning in both domestic and commercial settings. Supplied as a colourless, water-soluble liquid with a concentrate pH of 2-3, it is used undiluted for effective performance.

Available in a convenient 750ml spray bottles for daily cleaning or a 5-litre bulk container for economical decanting, it should always be used with appropriate PPE.

Directions:

Freedom Bathroom Cleaner should be used undiluted for the routine or deep cleaning of bathroom and washroom surfaces.

Spray the product directly onto the surface, agitate with a suitable cloth, sponge or other applicator, then wipe or rinse away and dry to achieve a clean, bright, streak-free finish. The product is suitable for use on toilets, urinals, sinks, showers, tiles and other bathroom fittings where cleaning, descaling and disinfecting are required.

When handling and using the product, suitable protective gloves and eye protection should be worn. After use, keep the container tightly closed and store in a cool, well-ventilated area. Do not use on vitreous enamel
