

T-CUP

CHLORINATED DISH WASH LIQUID

- *Removes tannin and coffee stains*
- *Fast-acting formula*
- *Use with hot or cold water*

USES

A fast-acting cleaner designed for use in busy cafes to remove tannin and coffee stains from cups and saucers. T-Cup will also remove food debris from crockery and cutlery.

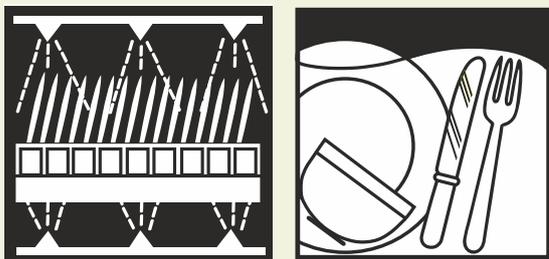

A clear, chlorinated detergent, T-Cup is suitable for use with hot or cold water in automatic dishwashing machines.

Recommended to clean crockery in cafés, canteens and restaurants.

DIRECTIONS

Put the dosing tube into the container of T-CUP so that it reaches the bottom. The dosing unit, which has been preset to a specific concentration, will automatically dispense T-CUP into the machine. Adjust the charge on the dosing unit if necessary to gain the level of cleaning action required.

N.B. Not suitable for use on aluminium, zinc or other alloys.
