

Grease Trap Maintainer

BT3

Available in: 4 x 5Ltr
Order Code: 6698/56

BT3 is supplied ready-to-use in 5L.

PRODUCT DESCRIPTION

- A non-toxic grease trap, drain and gully cleaner
- Utilising the latest biotechnology to rapidly degrade all types of oils and fats found in food handling establishments
- Maintains clear, free flowing drains and eliminating odours

DIRECTIONS FOR USE

Grease Traps and Drains:

These should be thoroughly cleaned before a maintenance program commences.

If the grease trap is filled with very hot water, flush with cold water first.

Initial dose:

Pour or pump 50ml per cm of diameter pipe per evening for 5 days.

(See page 2 for dosage table)

The Maximum Eco Biotech Range provides the highest level of cleaning performance with a minimal impact on the environment.

Provides optimum performance

Reduced carbon footprint in production and in transit

Multi-sector usage

Low cost in use

- *Highly concentrated biological formulation designed specifically for difficult grease applications such as grease traps, drain line treatment, wet wells, and sewage injection pits.*

- *Rapidly degrade all types of oils and fats found in food handling establishments, thereby clearing drains and eliminating odours.*

- *The unique formula contains high levels of bacterial spores selected for effective grease removal.*

- *Regular maintenance applications helps to keep drains free flowing, saving expensive jetting and rodding.*

DOSAGE TABLE

Grease Trap size (litres)	Drainage run (metres)	Dosage per day (ml)
<50L	15m	150ml
50L > 100L	15m - 50m	150ml - 175ml
100L > 250L	50m - 75m	175ml - 250ml
250L > 500L	75m +	250ml - 400ml
500L > 1000L	75m +	400ml - 600ml
1000L +	75m +	650ml

PHYSICAL & CHEMICAL PROPERTIES

Physical state: Liquid
Colour: Green
Odour: Lemon
pH: 6 - 8

SAFE HANDLING

Ensure the correct PPE is worn at all times when handling, dispensing or using chemicals. All PPE should comply with appropriate standards and be readily available for use.

In case of an accident please refer to the product Safety Data Sheet (SDS) for immediate first aid measures and helpline telephone number for a medical emergency.

HANDLING

Store sealed in original container in a cool, well ventilated area away from direct sunlight and extremes of temperature.

ISSUE DATE: 01/05/2024
