

QCH10 - Thin Bleach

INFORMATION SHEET

USE:

Q-Bleach is a contract bleach solution that when used regularly will kill germs and will remove stains in the affected area. Ideal for use in toilet bowls, sink waste pipes, drains, basins, work surfaces.

DIRECTIONS:

Carefully pour the solution into the affected area. Be wary of splashes from the chemical so pour gently. If applying via cloth or brush, be sure to wear protective equipment in any contact areas.

TECHNICAL:

Contains: Sodium Hypochlorite
