

QGS - Q-Green Super Washing up Liquid

INFORMATION SHEET

USE:

Q-Green Super is a thick, green, super concentrated detergent for cleaning glassware, cutlery, crockery, utensils and workshops. Q-Green Super is pH neutral but still tough on grease.

DIRECTIONS:

Dilute 1:100 parts in warm water. For heavy soiling, use smaller dilution ratios and change out water more frequently.

TECHNICAL:

Contains: SULFURIC ACID, C12-14-ALKYL, SODIUM SALTS, ALCOHOLS, C12-14, ETHOXYLATED,
