

Washroom Cleaner & Sanitiser

SC4

Maximum Eco Super Concentrates are designed to be accurately dispensed into refillable trigger bottles made from recycled polymer or into a bucket.

SC4 diluted will produce up to x133 750ml ready-to-use bottles.

Available in: 2 x 2ltr
Order Code: 2363/03

PRODUCT DESCRIPTION

- Rapidly removes watermarking and general soiling, cuts through bodyfat residue
- Effective in hard and soft water areas
- Independently tested and certified to EN1276 at a 2% dilution

DIRECTIONS FOR USE

Fill trigger bottle (750ml) with water, add 1 pump (15ml) of SC4.

Spray onto surfaces to be cleaned. Allow a few minutes contact time to allow the product to penetrate the limescale and dirt. Rinse off thoroughly with clean water. Buff to a shine with a soft cloth.

The Maximum Eco Super Concentrate Range provides the highest level of cleaning performance with a minimal impact on the environment.

Provides optimum performance

Reduced carbon footprint in production and in transit

Multi-sector usage

Low cost in use

- A general-purpose disinfectant cleaner suitable for most washroom surfaces including washbasins, sinks, tiles, cabinets, counter services and tables.

- Effective against most common forms of bacteria including MRSA, making it ideal for use in toilets, bathrooms and washroom environments.

- Fresh floral fragrance.

- Independently tested to European Standard Test Method.

A 2% solution (15ml added to 750ml of water) passes BS EN 1276 2009 (Including MRSA) when given 30 seconds contact time.

*** To meet the requirements of EN1276, SC4 must be diluted to 2% (15ml added to 750ml of water is a 2% solution).**

EN1276 - requires 30 seconds contact time in 'dirty' conditions.

PHYSICAL & CHEMICAL PROPERTIES

Physical state: Liquid
Colour: Green
Odour: Floral
pH: 2 - 3
Density: 1 - 1.02
Viscosity, dynamic: > 500 cP

SAFE HANDLING

Ensure the correct PPE is worn at all times when handling, dispensing or using chemicals. All PPE should comply with appropriate standards and be readily available for use.

In case of an accident please refer to the product Safety Data Sheet (SDS) for immediate first aid measures and helpline telephone number for a medical emergency.

HANDLING

Store sealed in original container in a cool, well ventilated area away from direct sunlight and extremes of temperature.

ISSUE DATE: 09/03/2023
